WE BELIEVE THAT ALL TECHNICAL DESIGNS CAN BE IMPROVED

COB power leds:

- 0,06W ~ 550W
- 2200K ~ 6500K / Ra 0 ~ 97
- No binning necessary, Mac Adam step 2
- Round light output image
- Light modules
- Lighting COB white / amber / blue
- Horticulture COB white / red-blue
- Light modules
- LED strips on reel

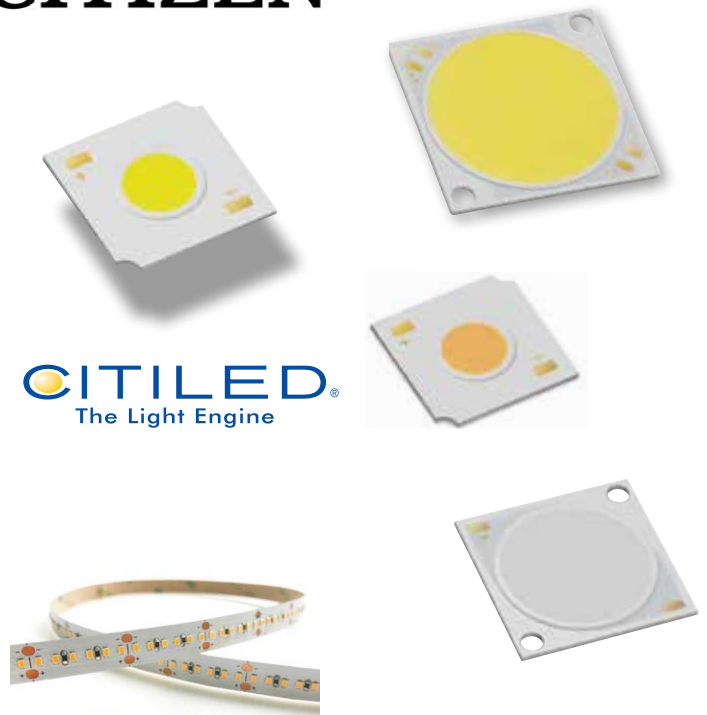

KGP

CITIZEN

CITILED®
The Light Engine

LED drivers:

- Constant voltage and constant current
- 6W - 1200W
- Various dimming solutions
- Programmable settings even with power off
- All-in-one emergency lighting led drivers
- Bluetooth mesh solutions

FULHAM
LUMO SERIES™

INVENTRONICS

ACCESSOIRES

- Heatsinks
- Reflectores
- Lenses
- COB connectors
- Waterproof LED connectors
- PCB LED drivers
- Current limiters
- Sensors
- High bay housing
- Led strips on aluminum
